Grandma's Chocolate Cake

I like this cake because it is very sweet and my grandmother used to make it for me on my birthday

Instructions

First soak the biscuits in milk so that they are softer

Next, create layers of biscuits and add condensed milk in between each layer. Then mix chocolate powder and water to create the chocolate layer. Once the chocolate cream is boiling add it to each one of the layers.

Finally, pour cream on top of the cake and put into the fridge for two hours

Ingredients

1 pack of biscuits
20 g chocolate powder
(Cola-Cao)
2 tsp Sugar
Cream
Milk
condensed milk
